

## Minutes of the PTFA Meeting Held on Saturday 02<sup>nd</sup> May 2020 via Messenger

### Present:

Sian Perry	PTFA Chair
Ian Freeman	PTFA Vice Chair and Treasurer (Chair)
Emily Munton	PTFA Secretary (minute taker)

### ACTION

Given the current economic situation and extraordinary circumstances, the PTFA felt the need to have a mini meeting to discuss the ongoing financial commitment to the School. This took place via messenger, maintaining social distancing regulations fully.

Obviously during these unusual times, no fundraising is currently being undertaken and therefore, no further funding is guaranteed for the foreseeable future so the PTFA Committee made the difficult decision to reduce the previously agreed termly amount transferred to the School. This has dropped to £650 for the 3<sup>rd</sup> term (April – July 2020) and also for the 1<sup>st</sup> term of the next school year (September – December 2020).

It is hoped that the original agreement of £1500 per term will return for the 2<sup>nd</sup> term starting in January 2021.

This reduced amount means that the PTFA are able to cover unforeseen costs as well as regular costs, such as insurances, which still need to be met.

Ian to contact Mrs Wilson and H Taylor to inform them of this decision, with immediate effect.

Ian Freeman

It is hoped that everyone can fully understand why this difficult decision had to be made promptly.

The PTFA look forward to returning to normal duties and being able to arrange exciting fundraising events again as soon as it is possible.
